

# Edible Oil Pouch Packing Machine

## Application

It is widely used for safe packaging of liquids: such as oil, Pure water, Milk, Soybean milk, Fruit juice, Beverage etc.

## Technical Specification

Packaging Type :	Pouch Packaging
Capacity :	Up to 1 Liter
Automation Grade :	Automatic single head
Driven Type :	Electric
Frequency :	50 Hz
Power :	1.5kW
Voltage :	220 volt
Packaging Material :	Plastic
